- Hole in wall to take concentric pinhole object (page 11)
- Second door (centre): 82.5cm (position of ceiling lamp)
- Raised floor: 10cm

---

**Estimated cost of materials**

Based on Travis Perkins quote

£500
This is the removed wall from the Optographic chamber, my intention is to wallpaper paste 102 sun stained newsprint sheets to the structure (you do not see the frame structure above) I am experimenting with staining methods and have no images as yet, the sheets of paper i can put in my luggage when i come to Sharjah.
This object is in my shipment
New Optographic Chamber

This is an older drawing (without the ramp)

two sides open to view

or use of ramped entry
